RE: Order # 32904

Dear Commissioners,

I am writing to request an extension in the Commission's order for the Spirit Lake East Water Company to provide the Commission with an evaluation of the feasibility of adding fire hydrants to its water system by April 11, 2014. The Companies hired engineer has requested an additional 60 day window to complete the required project. The Company anticipates a full submittal to the Commission on or before June 11, 2014. Your consideration in this matter is greatly appreciated.

Kindest Regards,

Leslie Abrams-Rayner
Operations Manager
